

Term 1 - 31 March 2026

Will you be the clever Pac-Man robot manoeuvring through the maze to collect points, or will you take on the role of the devious villain robot, outsmarting your opponents?

Test your skills as you play Pac-Man against another robot in a thrilling showdown of strategy and agility!

It's a high-energy, action-packed event that combines technology and fun in an unforgettable way.

Robotics workshop

at Fundamental Faculty robotics classroom

31 March 2026
